## AT MISERDEN

An exciting opportunity to join the buildings maintenance team at Miserden in a new role organising and practically delivering a range of property maintenance tasks.

The successful candidate will have experience of a specific building trade and the maintenance of traditional buildings, both domestic and commercial. The Estate are seeking a candidate with the aptitude to develop into a managing position with increased responsibility for the overall management of property maintenance.

Miserden is a thriving rural community and the maintenance of their properties is a key aspect of the Estates ongoing responsibilities. Candidates will preferably have up to date qualifications for their relevant trade and a full UK driving license. An NVQ level 3 in plumbing would be desirable but not essential.

A competitive salary package will be offered. Accommodation on the Estate can be included if necessary. The Estate supports ongoing personal development.

To obtain a copy of the application form and a full job description please visit: [www.misardenpark.co.uk](http://www.misardenpark.co.uk)

The completed application form should be sent with a covering letter to: Oliver Cooper, The Estate Office, Miserden, Stroud, Gloucestershire, GL6 7JA or call 01285 821303
